

NOTICE OF APPLICATION AND WRITTEN HEARING

Application by London Hydro Inc. for an Exemption from their Mandated Time-of-Use Pricing Date

The Application

London Hydro Inc. ("London Hydro") filed an application dated March 31, 2011 with the Ontario Energy Board under section 74 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B) for a licence amendment granting an exemption in relation to the mandated date for the implementation of Time-of-Use ("TOU") pricing rates for Regulated Price Plan ("RPP") consumers.

Time-of-Use Pricing

On August 4, 2010 the Ontario Energy Board issued a determination under Section 1.2.1 of the Standard Supply Service Code to require the implementation of TOU pricing for Regulated Price Plan consumers. The determination established mandatory TOU implementation dates for each electricity distributor. London Hydro has applied for an exemption from their June 2011 mandatory TOU pricing date and requested a new date of May 2012. London Hydro states the exemption is necessary due to advanced metering infrastructure vendor delays as well as Measurement Canada compliance issues.

How to Participate in the Hearing

The application will be decided by way of written hearing unless a party satisfies the Board that there is good reason for not holding a written hearing. If you object to a written hearing for this application, you must provide written reasons why an oral hearing is necessary. Any submissions objecting to a written hearing must be received by the Board and copied to the applicant by **April 28, 2011**.

Any parties who wish information and material from the applicant that is in addition to the applicant's pre-filed evidence with the Board, and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to the applicant on or before **April 29, 2011**. Where possible, the questions should specifically reference the pre-filed evidence. The applicant shall file with the Board complete responses to the interrogatories and deliver them to any interested parties in the proceeding no later than **May 6, 2011**.

Anyone who wishes to make a submission on the application must file that written submission with the Board and deliver it to the applicant by **May 13, 2011**. If the applicant wishes to respond to the submission(s), the written response must be filed with the Board and delivered to all parties who made submissions by **May 20, 2011**. All written submissions sent to the Board will be placed on the public record. The written submissions will be available for viewing at the Board's offices and will be placed on the Board's website.

If the written submission is from a private citizen (i.e., not a lawyer representing a client, not a consultant representing a client or organization, not an individual in an organization that represents the interests of consumers or other groups, and not an individual from a regulated entity), before placing the written submission on the public record, the Board will remove any personal (i.e., not business) contact information from the written submission (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the written submission will become part of the public record.

As stated elsewhere in this notice, you must provide a complete copy of your written submission (including your name, contact information, and everything written in the submission) to the applicant.

How to File Documents with the Board

You must forward two paper copies, and if possible, an electronic copy in Word format and searchable PDF format, of your written submission to the Board and one copy to the applicant.
