Dear Mr. Lamarche:

**Re: Cooperative Hydro Embrun Inc.
Request for Deferral Account
Board File Number EB-2010-0077**

This letter acknowledges the Board's receipt of your letter dated April 12, 2011 indicating that the draft Rate Order is complete and accurate with the exception of a request that the Board authorize the recording, in a Board authorized deferral account, the cost of \$1,250.00 incurred to publish the Board's notice with respect to the Late Payment Penalty proceeding (EB-2010-0295). This request was originally made in a letter dated February 24, 2011 in which CHEI filed its proposed Late Payment Penalty Settlement Rate Riders in accordance with the Board's Decision and Order in EB-2010-0295.

The Board notes that the record in the EB-2010-0077 case was closed when the request to book the \$1,250 in a deferral account was received. It could not therefore be reflected as part of CHEI's rate case and the Board's Decision and Order dated April 7, 2011 did not address the request.

Yours truly,
