Kirsten Walli  
Board Secretary  
Ontario Energy Board  
27<sup>th</sup> floor – 2300 Yonge Street  
Toronto, ON M4P 1E4

Dear Ms Walli,

**Union Gas Limited (“Union”)**  
**Board File No.: EB-2010-0039**  
**Our File No.: 339583-000070**

We are having considerable difficulty completing CME’s Written Argument in this matter for filing by the close of business today.

My assistant and I have been working hard over the past three (3) days to complete the task but it is proving to be far more challenging than I initially anticipated.

Accordingly, we respectfully request a filing deadline extension to noon on Monday, April 18, 2011, to enable us to complete our work.

A few moments ago, I e-mailed counsel for Union and Mr. Kitchen to seek Union’s consent to this request but I have not yet received a response.

I do not believe that anyone will be materially prejudiced by the brief Argument deadline extension we are requesting.

Please call me if the Board Panel hearing this case requires any further information to support this request.

Yours very truly,

A handwritten signature in black ink, appearing to read 'P. Thompson', with a long horizontal flourish extending to the right.
