Dear Ms. McOuat:

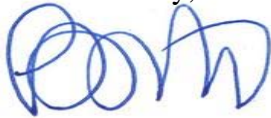

**Re: OSEA's reply to OPA letter dated April 13, 2011 re OSEA's areas of interest
for oral hearing
Board File No. EB-2010-0279 Ontario Power Authority Proposed Fiscal 2011
Expenditure and Revenue Requirement**

I am writing on behalf of the Ontario Sustainable Energy Association (OSEA) to indicate our specific areas of interest in this proceeding and to assist the OPA to provide the appropriate witnesses.

OSEA will primarily focus on issues related to the FIT program under Strategic Objective #3, including the ability of the OPA to fully implement and refine the FIT program, meet deadlines, and manage FIT contracts under the current Operating Budget.

OSEA shares many issues raised by the other intervenors, such as CEEA and GEC, about Conservation and Demand Management Programs. To avoid duplication, OSEA will limit its issues to the foregoing.

Yours truly,

Cherie Brant
