**Attn: Martha McOuat, Senior Regulatory Advisor**

Dear Ms. McOuat,

**Re: EB-2010-0279 --- Oral Hearing Issues of Interests**

Further to the Board's direction in Procedural Order #5 and your letter of April 13th, we write to advise that the specific issues in which the School Energy Coalition ("SEC") intends to examine at the oral hearing have already been outlined by many of the other parties. We do not intend to examine any additional areas at this time. While the number of areas might be somewhat extensive, we only intend to address most of the issues relatively briefly at the oral hearing.

Should you require additional information, please do not hesitate to contact me.

Yours Truly,
