**Re: 2011 Electricity Distribution Rates
EB-2010-0326**

Hydro Ottawa Limited ("Hydro Ottawa") has reviewed the draft Tariff of Rates and Charges set out in Appendix A of the Ontario Energy Board's Decision and Order issued on April 14, 2011 related to the application seeking approval for changes to the rates that Hydro Ottawa charges for electricity distribution, to be effective May 1, 2011 and confirms that it is complete and accurate.

Note that the Decision and Order directed all filings to quote file number EB-2010-0114, however this is the file number of Sioux Lookout Hydro Incorporated's 2011 Electricity Distribution IRM3 Rate Application and therefore Hydro Ottawa has used the correct file number, EB-2010-0326.

If further information is required, please contact the undersigned at 613-738-5499 ext 7499 or janescott@hydroottawa.com.

Yours truly,
