Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
2300 Yonge Street,
Ste. 2701
Toronto ON M4P 1E4

Dear Ms. Walli

**Re: Toronto Hydro-Electric System Limited's ("THESL's") Application for approval of funding of various CDM programs
OEB File No. EB-2011-0011**

We wish to provide the Board and parties with the following information and materials in connection with the above-noted proceeding.

1. THESL Witness Panels

We attach the *curriculum vitae* for THESL's witnesses for the upcoming oral phase of the hearing scheduled to commence on Thursday April 28, 2011. To assist parties in their preparation for the hearing, THESL intends to present two witness panels:

Panel 1 Overview of Application, CDM strategy & approach, portfolio development and customer education programs (that is, the Business Outreach and Education program which includes the In-Store Engagement and Education initiative).

Panel 1 witnesses: Mr. Chris Tyrrell, Ms. Gillian Earle and Mr. Joe Bile

Panel 2 CDM Program Specifics & Technical Panel dealing with the balance of THESL's proposed Programs.

Panel 2 witnesses: Mr. Chris Tyrrell, Mr. Michael Marchant and Mr. Tony Pardal.

2. THESL's CDM Program Evaluation Plans

We attach copies of THESL's Draft Evaluation Plans that have been prepared by Toronto Hydro and by various third party consultants.

3. OSEA Interrogatories

THESL received late interrogatories arising from the late intervention of the Ontario Sustainable Energy Association. In the circumstances of OSEA's late intervention and failure to deliver its interrogatories to THESL by the Board-prescribed deadline, THESL emphasizes that it is responding to those interrogatories in order to be helpful to the Board and record in this proceeding. THESL's provision of responses should in no way be interpreted as condoning departures by interveners from the Board's established timelines and processes.

4. Corrections to Prefiled Evidence and Interrogatory Responses

Finally, THESL has identified errors in some prefiled evidence and interrogatory responses. The corrected information and responses are attached.

Yours very truly,

BORDEN LADNER GERVAIS LLP
