Dear Madame:

**Re: EB-2011-0027 - Summerhaven Wind, LP (the "Applicant") Leave to  
Construct Application**

On March 12, 2011 intervenor Glenfred Gaswells Ltd. ("Glenfred") requested an oral hearing in this proceeding. On March 29, 2011 the Board issued Procedural Order No. 2 and indicated that a decision regarding Glenfred's request would be made after the completion of the interrogatory phase. The interrogatory phase has been completed as of April 20, 2011.

At this time, the Applicant responds to the request for an oral hearing by Glenfred and submits, based on all proceedings to date, that an oral hearing is not necessary. Glenfred did not issue interrogatories to the Applicant and has not raised any issues that would require presentation at an oral hearing. No other intervenor has requested an oral hearing nor have any issues been presented that would necessitate an oral hearing. Therefore, the Applicant respectfully requests that the Board confirm that it will maintain the current schedule and written hearing.

Yours truly,

McCarthy Tétrault LLP
