Dear Ms Walli:

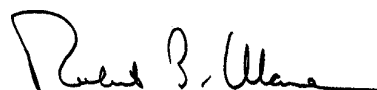

Re: EB-2007-0606/EB-2007-0615

We are enclosing, on behalf of Mr. Buonaguro, counsel to the Vulnerable Energy Consumers Coalition, and on behalf of our client, the Consumers Council of Canada, the evidence of Dr. Laurence Booth. Hard copies of Dr. Booth's evidence are being delivered to you by courier.

Please be advised that Dr. Booth is out of the province until October 25, 2007. In the event that there are only a limited number of questions on his evidence, we would appreciate being given the option of having Dr. Booth answer them in writing. In the event that parties have a substantial number of questions for Dr. Booth, and require his presence to answer them orally, the only day on which he would be available is October 25, 2007.

Yours very truly,

WeirFoulds LLP
