REVISED RATE ORDER
(Issued April 28, 2011 and as corrected May 6, 2011)

Introduction

Orillia Power Distribution Corporation ("Orillia Power"), a licensed distributor of electricity, filed an application with the Ontario Energy Board (the "Board") on October 28, 2010, under section 78 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Orillia Power charges for electricity distribution, to be effective May 1, 2011.

On April 7, 2011, the Board issued its Decision and Order on the application. In its Decision, the Board ordered Orillia Power to review the draft Tariff of Rates and Charges and to file with the Board written confirmation assessing the completeness and accuracy of the draft Tariff of Rates and Charges, or provide a detailed explanation of any inaccuracies or missing information, within seven calendar days of the date of the

Decision.

On April 14, 2011, Orillia Power filed a letter noting the following wording issues in the draft Tariff of Rates and Charges:

- Orillia requested that the reference to Low Voltage Volumetric Rate for all classifications be changed to Low Voltage Service Rate. Orillia Power also noted that the word “Voltage” is missing under the Street Lighting service classification.
- Orillia Power noted that the word “average” is missing from the description for the Unmetered Scattered Load service classification.
- Orillia Power noted that the reference to “Provincial Benefit”, in the last paragraph under the “Application” heading, for all service classifications, should be revised to “Global Adjustment” to be consistent with Ontario Regulation 398/10 Section 16(7), which amended Ontario Regulation 429/04 effective January 1, 2011.

The Board accepts Orillia Power’s submission and has revised the Tariff of Rates and Charges.

THE BOARD ORDERS THAT:

1. The revised Tariff of Rates and Charges set out in Appendix A of this order will become final effective May 1, 2011, and will apply to electricity consumed or estimated to have been consumed on and after May 1, 2011. Orillia Power shall notify its customers of the rate changes no later than with the first bill reflecting the new rates.
