Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
PO Box 2319

Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: May 11, 2011 Notice of Application and Hearing by
Canadian Distributed Antenna Systems Coalition (“CANDAS”)
OEB File No.: EB-2011-0120**

Further to the above noted Notice of Application and Hearing, Toronto Hydro-Electric System Limited’s (“THESL”) requests Intervenor Status in the EB-2011-0120 proceeding.

THESL is an electricity distributor operating under Licence ED-2002-0497. As an OEB-regulated utility, THESL has a direct interest in all matters of jurisdiction, substance and procedure with respect to the regulation of electricity in Ontario. CANDAS’s Application seeks to amend electricity distributors’ licences and current Conditions of Service documents, and to impose certain conditions on distributors.

THESL reserves its rights to be heard, to appear by or with counsel of its choice, to cross-examine on all subject matters in this hearing that may relate to its interest, and to advance evidence on specific matters that are relevant to this proceeding and to present argument.

THESL is not eligible for, and does not seek, an award of costs in this proceeding, and awaits the decision of the Board as to the form of hearing in this matter.

Please direct all future correspondence on this matter to me at regulatoryaffairs@torontohydro.com and to THESL's Counsel, J. Mark Rodger at mrodger@blg.com.

Yours truly,
