Notice of Application and Hearing
Canadian Distributed Antenna Systems Coalition**

Dear Ms. Walli,

Please be advised that Hydro Ottawa Limited ("Hydro Ottawa") is requesting intervenor status in the subject proceeding in which the Canadian Distributed Antenna Systems Coalition ("CANDAS") is seeking certain orders under the *Ontario Energy Board Act, 1998*.

Hydro Ottawa is the third largest electricity distributor in Ontario, operating under Licence ED-2002-0556. CANDAS's Application seeks to amend electricity distributors' licences and current Conditions of Service documents and to impose certain conditions on distributors. As a result, this proceeding could have a direct impact on Hydro Ottawa and its customers.

Hydro Ottawa will not be seeking costs related to its participation in this proceeding. Should you have any further questions, please contact Jane Scott at (613) 738-5499 extension 7499, directly, or email to janescott@hydroottawa.com.

Best regards,
