Dear Ms. Walli:

**Re: EB-2011-0120 CANDAS' Application Regarding Access to Power Poles**

PowerStream Inc. is applying for intervention status in the above-noted proceeding.

PowerStream Inc. has a vested interest in participating in this hearing. CANDAS' application directly affects our distribution assets.

PowerStream is not eligible for and does not seek an award of costs as per the Board's Cost Award Guidelines. PowerStream does not object to the Board proceeding with a written hearing as outlined in the Notice of Application and Hearing.

In an attempt to reduce the amount of paper printed, PowerStream requests to only receive electronic copies of the materials filed by the applicant and subsequent intervenors.

PowerStream requests that documents filed with the Board in the proceeding be served as follows:
