Dear Ms. Walli:

**RE: COLLUS Power Corp**  
**Application for exemption of mandated Time-of-Use Pricing date for RPP**  
**EB – 2011 - 0080**

COLLUS Power Corp ("COLLUS") is providing this letter to the Ontario Energy Board ("Board") as per the Board's Direction of March 28/11 on this matter. Board staff have filed a written submission on May 4/11 and as per the Board's direction COLLUS is responding by May 12/11.

In the submission the Board staff has stated they do not have any issue with COLLUS's request. COLLUS submits it support for the Board staff position and further submits that the Board approve the request.

One small area of the Board staff submission that needs to be corrected is the reference in their submission that COLLUS's current target end date is June 2011. COLLUS is currently identified as having a July 2011 target end date. COLLUS is requesting an extension to December 2011 for this date.

If further information is required please contact us.

Thank you,

Mr. T. (Tim) E. Fryer CMA  
Chief Financial Officer
