1. We are counsel to APPrO. Pursuant to Rule 23.05 of the Board's *Rules of Practice and Procedure*, APPrO hereby requests late intervention status in the above-noted proceeding.
2. APPrO is a non-profit organization representing more than 100 companies involved in the generation of electricity in Ontario, including generators and suppliers of services, equipment and consulting services. APPrO members produce power from co-generation, hydro-electric, gas, coal, nuclear, wind energy, waste wood and other sources.
3. On April 20, 2011, Enbridge Gas Distribution Inc. ("Enbridge") filed an application, dated April 20, 2011 (the "Application"), with the Ontario Energy Board (the "Board") under section 36 of the *Ontario Energy Board Act, S.O. 1998, c.15*, Schedule B for an order or orders approving the disposition of balances in certain deferral or variance accounts. Enbridge also filed evidence on the bill impacts associated with its proposed disposition of deferral and variance accounts.
4. The late filing of this letter of intervention is attributable to APPrO only recently coming to the realization that, upon further review of Enbridge's application, certain issues are of interest to our members.
5. Many of APPrO's members are large volume customers of Enbridge and may be affected by the bill impacts associated with the disposition of the deferral and variance accounts. As a result, APPrO's members have a direct and significant interest in this proceeding.
6. APPrO accepts the record as it stands.
7. APPrO reserves the right to participate in all aspects of the proceeding.
8. Pursuant to s. 3.06 of the Board's *Practice Direction on Cost Awards*, APPrO also intends to seek an award of costs from Enbridge as a customer of the Applicant. In accordance with s. 3.03(a) of the Board's *Practice Direction on Cost Awards*, APPrO represents the

direct interests of consumers in relation to Enbridge's regulated services (APPrO's members are among the largest consumers of Enbridge's services).

9. APPrO hereby requests that the Board, Enbridge and any other intervenors provide it and its counsel with copies of all evidence and correspondence related to the proceeding, at the contact information below:
