Income Consumers  
Comments on Intervenor Cost Claims**

---

In accordance with the Ontario Energy Board's (the "Board") Notice of Hearing for Cost Awards dated April 28, 2011 for the above noted proceeding, Enbridge Gas Distribution (the "Company") has reviewed the cost claims it has received from Consumers Council of Canada ("CCC"), Salvation Army Centre of Hope, and Vulnerable Energy Consumers Coalition ("VECC").

The Company found the claims to be in accordance with the thresholds imposed for this proceeding, and to be consistent with the allowances of prescribed rates within the cost assessment guidelines, and therefore has no objection to these claims.

The Company awaits the recommendation and or cost awards of the Board with respect to these Intervenor cost claims.

The Company reserves the right to make submissions regarding any outstanding Intervenor cost submissions which are subsequently received.

Please contact the undersigned if you have any questions.

Yours truly,
