Re: Goldcorp - Leave-To-Construct, EB-2011-0106

On May 26, 2011 the Ontario Energy Board ("Board") issued Procedural Order No. 1 in the above matter. In this Order, the Board set out the case timetable and convened an oral hearing on June 7, 2011, to hear Goldcorp's motion. The oral hearing was scheduled to commence at 9:30 am in the Board's North Hearing Room.

On May 30, 2011, the Board received a letter from counsel for the Applicant, requesting that the start time for the scheduled oral hearing be delayed to 10:30 am.

The Board has approved Goldcorp's request. **The oral hearing of the motion will commence at 10:30 am, on June 7, 2011, in the Board's North Hearing Room at 2300 Yonge Street, Toronto.**

All other dates in the Procedural Order No. 1 remain unchanged.

Yours truly,
