Subject: Goldcorp Gold Mine Power Supply Transmission Line (TC) Harry's Corner- Tentative Meeting Dates

Hello Chris / Sam

Could you please give me a quick email to let me know if which one of you are in the office today. I would like to discuss possible meeting dates with you as I will be out of the office after today for the rest of the week. Also I understand that you may know an archaeologist who you would recommend to conduct the baseline work.

Much appreciated.

Thank you

Mary Shea
