Dear Ms. Walli:

Re: Grand Renewable Wind, LP Leave to Construct Application (EB-2011-0063)

The Independent Electricity System Operator (the “IESO”) is in receipt your correspondence dated June 7, 2011 to request that the IESO file a letter confirming its interest in the above-captioned matter and the nature of its interest in this regard.

On May 2, 2011, the IESO filed a Notice of Intervention with the Ontario Energy Board (the “Board”) in which the IESO set out, among other things, its interest in and how it may be affected by the outcome of the Board’s proceeding. The IESO is still interested in participating in the proceeding; accordingly, it repeats and relies on its earlier Notice of Intervention.

Yours truly,
