Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Board Staff Supplemental Comment on Draft Rate Order  
2011 Electricity Distribution Rates  
Niagara Peninsula Energy Inc.  
Board File No. EB-2010-0138**

This comment is made in addition to Board staff's submission dated June 8, 2011.

Niagara Peninsula Energy Inc. ("NPEI") has brought to staff's attention that it had received approval from the Board to recover the costs and damages arising from the Late Payment Penalty ("LPP") class action in the EB-2010-0295 proceeding. Board staff notes that the Draft Rate Order filed by NPEI in this proceeding did not include the LPP rate riders filed by NPEI on March 1, 2011 in the EB-2010-0295 proceeding. Board staff has reviewed the rate riders calculations submitted by NPEI on March 1, 2011, and concurs that they are consistent with the Board's Decision and Order in the EB-2010-0295 proceeding.

Board staff therefore submits that the rate riders filed by NPEI should be included in the Rate Order.

Yours truly,
