Application – Access to Power Poles of Electricity Distributors  
Board File Number EB-2011-0120**

The Board hereby notifies all electricity distributors of Procedural Order No. 1 issued today in the above matter. Please note that the Board has not yet determined what party or parties will be assessed the costs of this proceeding. As the attached Procedural Order provides, the Board has indicated that one possibility is that costs may be assessed against all licensed electricity distributors in the Province.

Yours truly,
