Dear Ms. Walli

**Re: AltaLink Ontario L.P. - Confidentiality Request
EB-2011-0126**

On April 29, 2011, AltaLink Ontario Management Ltd. on behalf of AltaLink Ontario L.P. ("AltaLink") filed an application with the Ontario Energy Board (the "Board") for an order issuing an electricity transmission licence pursuant to Section 60 of the *Ontario Energy Board Act, 1998*. We are counsel to AltaLink in this matter.

Pursuant to Procedural Order No. 1, the Board ruled that AltaLink's key individual information would be kept confidential, and the Board invited submissions from any party in this proceeding if they objected to AltaLink's confidentiality request in respect of its corporate organization chart or its privately held affiliate's consolidated financial statements. Those submissions were due on June 10, 2011.

Neither Board Staff nor any party has objected to AltaLink's request for confidential treatment of all of its proposed confidential information. AltaLink submits that the Board should therefore approve its confidentiality request. The items for which confidentiality is sought contain information which is confidential, commercially sensitive and not otherwise publicly available, and in order to avoid breaching pre-existing confidentiality arrangements and causing competitive harm to AltaLink and its affiliates, AltaLink is requesting that the Board hold those items in confidence.

Yours very truly,

BORDEN LADNER GERVAIS LLP
