Dear Ms. Walli

EB-2011-0063 – Grand Renewable Wind LP Application For Leave To Construct Transmission Facilities -
Intervention Request.

Since I am a layman and not familiar with this process I ask your forbearance in that regard.

In reply to your letter of June 7 2011 I am confirming my request for intervenor status.

I am an affected landowner and wish the opportunity to question certain parts the form of ground lease submitted by the applicant in their application and evidence. Approval of this ground lease is required under section 97 of the OEB Act.

Thank you for your consideration.
