

EB-2011-0225

IN THE MATTER OF the *Ontario Energy Board Act 1998*,
S.O.1998, c.15, (Schedule B);

AND IN THE MATTER OF an application by Union Gas
Limited seeking approval of its revised demand side
management input assumptions for the 2011 program
year.

**NOTICE OF HEARING
and
PROCEDURAL ORDER No. 1**

On June 15, 2011, the Ontario Energy Board (the “Board”) received Union Gas Limited’s (“Union”) updated application seeking approval for new and updated demand side management (“DSM”) measures for its 2011 program year.

Union followed the approved process to establish the 2011 DSM input assumptions. Union achieved full consensus from the 2010 Evaluation and Audit Committee (“EAC”). Specifically, changes were made to the substantiation documents for the new and revised 2011 DSM measures and free ridership rates were established for two new programs “Commercial Drain Water Heat Recovery” and “Food Service Programs”.

The Board has assigned file number EB-2011-0225 to this application.

The Board’s Decision with Reasons in the Natural Gas Demand Side Management Generic Proceeding (EB-2006-0021) outlined a process allowing for updates to the DSM input assumptions, “arising from the evaluation and audit process, to be filed with the Board and considered accordingly.”

THE BOARD ORDERS THAT:

1. Union shall immediately serve a copy of its application on each intervenor in the Natural Gas Demand Side Management Guidelines for Natural Gas Distributors proceeding (EB-2008-0346) and on each party currently involved in Union's DSM Consultative (Full list attached as Appendix A).
2. Any party, including Board staff that wishes to comment on Union's application shall do so by written submissions filed with the Board, and delivered to Union, **on or before July 04, 2011.**
3. Union may respond by written submission filed with the Board, and delivered to all parties, **on or before July 14, 2011.**

All filings to the Board must quote the file number, EB-2011-0225, be made through the Board's web portal at www.errr.ontarioenergyboard.ca , and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.ontarioenergyboard.ca . If the web portal is not available you may email your document to the address below. Those who do not have internet access are required to submit all filings on a CD or in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
