Dear Board Secretary:

Re: Snopko et al v. Union Gas Ltd. et al

Board File No: EB-2011-0087

With respect to the above referenced matter, I have today received from Mr. Crawford Smith, of Tory's, a copy of the motion record of Union Gas. As you will note there are 6 volumes of extensive documentation. Although this documentation is not new and has been part of the past court record, the issues raised by Tory's are quite complex. Under the original schedule I have only two weeks to respond and that includes a holiday. I, therefore, respectfully request an additional two weeks to respond to Union's motion material, that is to July 22, 2011.

Your consideration of this request is appreciated.

Sincerely yours

Donald R. Good, P.Ag.
