NOTICE OF APPLICATION AND WRITTEN HEARING

Application by Bluewater Power Distribution Corporation for an Extension to its Mandated Time-of-Use Pricing Date for Regulated Price Plan Consumers

The Application

Bluewater Power Distribution Corporation (“Bluewater”) filed an application dated June 6, 2011 with the Ontario Energy Board under section 74 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B) for a licence amendment granting an extension in relation to the mandated date for the implementation of time-of-use (“TOU”) pricing rates for Regulated Price Plan (“RPP”) consumers.

Time-of-Use Pricing

On August 4, 2010 the Ontario Energy Board issued a determination under Section 1.2.1 of the Standard Supply Service Code to require the implementation of TOU pricing for RPP consumers. The determination established mandatory TOU implementation dates for each electricity distributor. Bluewater has applied for an extension to its mandated TOU pricing date of October 2011 and requested a new date of January 2012 or fourteen weeks after the start date the IESO confirms Bluewater’s wave assignment. Bluewater states the extension is necessary due to a four week delay in the deployment of a version upgrade by the IESO and Bluewater’s testing schedule conflicting with the planned IESO upgrade.

How to see the Application

A copy of the application and related documents are available for inspection at the Board’s offices in Toronto and on its website, www.ontarioenergyboard.ca. A copy can also be viewed at Bluewater’s office at the address indicated below and on its website.

How to Participate in the Hearing

The application will be decided by way of written hearing unless a party satisfies the Board that there is good reason for not holding a written hearing. If you object to a written hearing for this application, you must provide written reasons why an oral hearing is necessary. Any submissions objecting to a written hearing must be received by the Board and copied to the applicant by **July 14, 2011**.

Any parties who wish information and material from the applicant that is in addition to the applicant's pre-filed evidence with the Board, and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to the applicant on or before **July 18, 2011**. Where possible, the questions should specifically reference the pre-filed evidence. The applicant shall file with the Board complete responses to the interrogatories and deliver them to any interested parties in the proceeding no later than **July 25, 2011**.

Anyone who wishes to make a submission on the application must file that written submission with the Board and deliver it to the applicant by **August 2, 2011**. If the applicant wishes to respond to the submission(s), the written response must be filed with the Board and delivered to all parties who made submissions by **August 9, 2011**. All written submissions sent to the Board will be placed on the public record. The written submissions will be available for viewing at the Board's offices and will be placed on the Board's website.

If the written submission is from a private citizen (i.e., not a lawyer representing a client, not a consultant representing a client or organization, not an individual in an organization that represents the interests of consumers or other groups, and not an individual from a regulated entity), before placing the written submission on the public record, the Board will remove any personal (i.e., not business) contact information from the written submission (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the written submission will become part of the public record.

As stated elsewhere in this notice, you must provide a complete copy of your written submission (including your name, contact information, and everything written in the submission) to the applicant.
