**Re: Application by Trout Creek Wind Power Inc. to Amend the Distribution  
Licence of Hydro One Networks Inc.  
Board File Number EB-2011-0209**

On May 25, 2011, Trout Creek Wind Power Inc. filed an application with the Ontario Energy Board (the "Board") to amend the distribution licence of Hydro One Networks Inc. ("Hydro One") to exempt Hydro One from sections 6.2.4.1(e)(i) and 6.2.18(a) of the Distribution System Code with respect to Trout Creek Wind Farm (Hydro One Connection No. 12,780) (altogether, the "Project") and to substitute a special rule for the Project.

The Board issued a Notice of Application and Hearing and Procedural Order No. 1 on June 7, 2011. Hydro One and the Ontario Power Authority requested and are hereby granted intervenor status in this proceeding.

Yours truly,
