**Re: EB-2011-0225 – Union Gas Limited – 2011 Demand Side Management Plan –
2011 New and Updated DSM Measures**

Dear Ms. Walli:

By application dated June 3, 2011, Union Gas Limited (“Union”) applied to the Board for an order granting approval of changes to its 2011 Natural Gas Demand Side Management (“DSM”) Plan. Specifically, Union requested approval of changes to the 2011 input assumptions. The Board assigned docket number EB-2011-0225 to the application.

The Board issued Procedural Order No. 1 on June 22, 2011 providing for written submissions.

Union received a submission from the Canadian Manufacturers & Exporters (“CME”) confirming that the revised measures were filed with EAC consensus and indicating their support for the application. Union received no other submissions.

Accordingly, Union requests an order of the Board approving the proposed changes to the 2011 DSM input assumptions.
