File 10606.00027

Dear Ms Walli:

**Re: EB-2010-0279-Ontario Power Authority/
Cost Submission of the Consumers Council of Canada.**

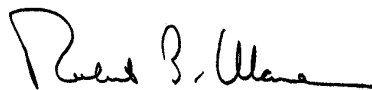

We have received a copy of the Board's Decision and Order dated July 8, 2011, which, among other things, directs eligible intervenors to file cost submissions within 15 days of date of the Decision and Order. By our calculation, the cost submissions would have to be filed or before July 25, 2011.

Because of vacation schedules, we are unable to prepare and file our client's cost submission until July 28th. Accordingly, we request a short extension to file the submission.

Your consideration of this request is appreciated.

Yours very truly,

WeirFoulds LLP
