Dear Ms. Walli:

Re: Hydro Ottawa Limited/EB-2011-0054

We are counsel to the Consumers Council of Canada. We have been instructed by our client to advise you that it will be intervening in this proceeding.

Our client is a non-profit, public-interest entity which represents the interests of residential consumers of electricity. Our client has been an active participant in earlier applications by Hydro Ottawa Limited for approval of its rates.

Our client has no funds of its own to support its intervention. It intends, at the conclusion of the proceedings, to seek an award of costs. In all of the earlier applications of Hydro Ottawa Limited in which our client has participated, it has been found eligible for, and then awarded, 100% of its recently-incurred costs.

Copies of all application materials should be sent to the writer and to Julie Girvan at the following address:

62 Hillside Avenue East
Toronto, Ontario
M4S 1T5

Ms. Girvan's e-mail address is jgirvan@ca.inter.net

Yours truly,
