Dear Ms. Walli:

**Re: EB-2010-0054 Hydro Ottawa Ltd – Application for 2012 Rates**

---

PowerStream Inc. is applying for observer status in the above-noted proceeding.

PowerStream Inc. has a vested interest in observing rate applications being presented to the Board. As all LDCs in the province will be before the Board in due course, it is important to the company and to our customers that we follow these hearings.

In an attempt to reduce the amount of paper printed, PowerStream requests to only receive electronic copies of the materials filed by the applicant and subsequent intervenors.

PowerStream requests that documents filed with the Board in the proceeding be served as follows:
