Dear Ms. Walli:

**Re: Hydro One Networks Inc.
2008 Electricity Distribution Rates Application
OEB File No. EB-2007-0681**

By this letter, Toronto Hydro-Electric System Limited ("THESL") requests Intervenor Status in the EB-2007-0681 proceeding.

THESL is an electricity distributor operating under Licence ED-2002-0497. As an OEB-regulated utility, THESL has a direct interest in all matters of jurisdiction, substance and procedure with respect to the regulation of electricity in Ontario, and in decisions of the Board which may affect THESL's operation in the Ontario electricity market. THESL therefore has an interest in Hydro One Networks Inc.'s application to the Board for changes to the rates that Hydro One Networks Inc. charges for electricity distribution, to be effective May 1, 2008.

THESL reserves the right to be heard, to appear by or with counsel of its choice, to cross-examine on all subject matters in this hearing that may relate to its interest, to advance evidence on specific matters that are relevant to this proceeding and to present argument.

THESL is not eligible for, and does not seek an award of costs in this proceeding, and will be governed by the decision of the Board to hold a written or oral hearing in this matter.
