Dear Ms. Reilly:

**Re: Intervenor Request
Upper Canada Transmission Inc.
Application for an Electricity Transmission Licence
Board File Number EB-2011-0222**

Due to some technical difficulties with the Board's Regulatory Electronic Submission System, Hydro One's request for intervenor status was not received until today.

This will acknowledge receipt of your request for intervenor status, dated June 30, 2011, on Board proceeding EB-2011-0222. The Board approves your request, subject to any objections from the applicant.

Pursuant to Procedural Order No 1, interrogatories to the applicant are due for submission on July 20, 2011. If Hydro One requires an extension for submission of interrogatories it has to notify the Board immediately.

We apologize for any inconvenience that this may have caused.

Yours truly,

Original signed by

John Pickernell
Assistant Board Secretary
