

EB-2011-0115

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S. O. 1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Detour Gold
Corporation for an Order granting leave to construct a
new transmission line and associated facilities for the
Detour Lake Power Project (Phase II).

PROCEDURAL ORDER NO. 2

Detour Gold Corporation ("Detour") filed an application with the Ontario Energy Board (the "Board") dated April 19, 2011 under sections 92 and 97 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c.15, Schedule B ("the Act"). Detour is seeking an order of the Board granting leave to construct a transmission line and associated facilities from Pinard TS to the Island Falls area (the "Project"), where it will connect to a previously approved transmission line supplying the Detour Lake Mine, located 180 km northeast of the Town of Cochrane. Detour also seeks an order approving the form of easement agreement provided in the application. The Board has assigned File No. EB-2011-0115 to the application.

The Board issued a Notice of Application and Written Hearing ("the Notice") on May 11, 2011. Detour served and published the Notice as directed by the Board. In the Notice, the Board indicated that it intended to proceed by way of a written hearing unless any party satisfies the Board that there is a good reason for not proceeding by way of a written hearing.

The Taykwa Tagamou Nation ("TTN") and the Independent Electricity System Operator ("IESO") applied for intervenor status. TTN also requested that costs be awarded. TTN requested a written proceeding, and no other party indicated a preference for an oral hearing.

On June 8, 2011 the Board issued Procedural Order No. 1 granting intervenor status to the IESO, and to TTN subject to certain conditions. The Board advised that it will proceed with a written hearing. The Procedural Order further provided for Interrogatories to be submitted by June 17, 2011 and responses by June 29, 2011, and for relevant evidence to be filed by July 8, 2011 if any party so wished.

Board staff submitted interrogatories and the Applicant provided responses by the specified date. No other party submitted interrogatories, and no evidence was submitted.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Detour shall file with the Board and all Intervenors its submission, not later than Wednesday **July 20, 2011**.
2. Intervenors and Board staff shall, if they wish, file any submission with Detour and with the Board and all other intervenors, no later than Wednesday **July 27, 2011**.
3. Detour shall, no later than Wednesday, **August 3, 2011** file with the Board and deliver to all intervenors, its reply submission.

All filings to the Board must quote file number EB-2011-0115, be made through the Board's web portal at www.errr.ontarioenergyboard.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.ontarioenergyboard.ca. If the web portal is not available you may email your document to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All filings should be directed to the attention of the Board Secretary, and be received no later than 4:45 p.m. on the required date. Parties must also include the Case Manager, Edik Zwarenstein at edik.zwarenstein@ontarioenergyboard.ca and Board Counsel, Ljuba Djurdjevic at ljuba.djurdjevic@ontarioenergyboard.ca in all electronic correspondence related to this case.
