Dear Ms. Robinson:

**Re: Hydro One Networks Inc.
Application for Entry onto Land
Bruce Milton Transmission Reinforcement Project
Board File No. EB-2007-0920
Notice of Intervention of the Municipality of West Grey**

The Board is in receipt of your letter dated January 22, 2008 in which the Municipality of West Grey ("West Grey") requests both intervenor status and eligibility for an award of costs in the EB-2007-0920 proceeding (the Entry onto Land proceeding). Please note that the application for leave to construct the transmission line itself is a separate application (EB-2007-0050), and that to date West Grey has not sought intervenor status in that proceeding.

The request for intervenor status in EB-2007-0920 is hereby accepted.

The Board has not yet reached a decision on whether or not West Grey will be eligible for an award of costs in this proceeding. This decision will be issued shortly.

Yours truly,

Original Signed By
