Dear Mr. Morellato:

**Re: Hydro One Networks Inc. – 2008 Rates Case
Notice of Intervention - David Morellato
Board File No EB-2007-0681**

The Board confirms you as an intervenor in the above noted proceeding, subject to Hydro One Networks Inc.'s right of reply to your request within 10 days of the mailing of this letter.

The Board has determined that you are eligible to apply for an award of costs under its Practice Direction on Cost Awards. The Board specifically cautions you that the amount of any costs award made to you, if any, will be dependent on the extent to which you have coordinated your participation in the case with other intervenors representing the interests of ratepayers, and the extent to which duplication of effort has been avoided.

You may also wish to contact the Consumers Council of Canada or the Vulnerable Energy Consumers Coalition, which are active intervenors in this proceeding representing the interests of consumers in Ontario.

The Practice Direction and related forms are available on the Board's Web site at www.oeb.gov.on.ca.

Yours truly,
