Dear Mr. Thoma:

**Re: Hydro One Networks Inc. – 2008 Rates Case  
Notice of Intervention - Wescast Industries  
Board File No. EB-2007-0681**

The Board confirms you as an intervenor in the above noted proceeding, subject to Hydro One Networks Inc.'s right of reply to your request within 10 days of the mailing of this letter.

The Board has determined that you are eligible to apply for an award of costs under its Practice Direction on Cost Awards. The Board specifically cautions you that the amount of any costs award made to you, if any, will be dependent on the extent to which you have coordinated your participation in the case with other intervenors representing the interests of ratepayers, and the extent to which duplication of effort has been avoided.

You may also wish to contact the Association of Major Power Consumers of Ontario, which is an active intervenor in this proceeding representing the interests of major industries in Ontario.

The Practice Direction and related forms are available on the Board's Web site at [www.oeb.gov.on.ca](http://www.oeb.gov.on.ca) .

Yours truly,
