Re: EB-2011-0257 Amendments to C1 and M12 Rate Schedules

Please find attached the interrogatories of the Federation of Rental-housing Providers of Ontario (FRPO). We apologize for the timing as we have been focusing on EB-2011-0038 and had missed the deadline for these submissions Friday. However, we were heartened by Board Staff IR's today and would ask the Applicant and the Board's indulgence on timing of our request and trust with the level of inquiry in this matter that we could receive answers.

Respectfully submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
