Re: EB-2007-0606/EB-2007-0615

As per Procedural Order No. 18, I am writing on behalf of my clients (Building Owners and Managers Association of the Greater Toronto Area, London Property Management Association and Wholesale Gas Service Purchasers Group) in relation to the draft rate order filed by Union on January 31, 2008.

I have reviewed the working papers and resulting draft rates and believe they appropriately reflect the Settlement Agreement dated January 3, 2008.

Sincerely,

Randy Aiken
