Subject: EB-2011-0123 Guelph Hydro Electric Systems Inc - SEC Submissions on Confidentiality

We enclose the submissions of the School Energy Coalition with respect to confidentiality. Although we believe this letter does not contain confidential information, in the interests of caution we have not filed it on RESS. This email, without the attachment, has been sent to the other parties, and our client. If the Applicant can confirm at its earliest convenience that the letter does not contain confidential information, we will forward the attachment to those persons as well.

Jay
