Dear Ms. Walli:

Re: Grand Renewable Wind, LP Leave to Construct Application (EB-2011-0063)

The Independent Electricity System Operator (the “IESO”) is planning to make submissions regarding its concerns with respect to the Grand Renewable Wind, LP leave to construct application. The IESO would like to advise the Ontario Energy Board (the “Board”) that its representatives are however not available between August 22, 2011 and September 9, 2011; accordingly, we respectfully request that the Board take this into account in issuing any further procedural order with respect to the scheduled date(s) for filing intervenor submissions.

We thank you for your consideration.

Yours truly,
