IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application pursuant to section 74 of the *Ontario Energy Board Act, 1998* by Buttcon Energy Inc. to amend Schedule 1 of electricity generator licence EG-2008-0258.

By delegation, before: Theodore Antonopoulos

DECISION AND ORDER

Buttcon Energy Inc. ("Buttcon") filed an application on June 27, 2011 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998* to amend Schedule 1 of electricity generator licence, EG-2008-0258. The Board assigned the application file number EB-2011-0251.

The requested amendment to Schedule 1 of Buttcon's electricity generation licence is required in order for Buttcon to operate Residences of Springhill Condominium Complex, a 354 kW natural gas generation facility located in King City, Ontario.

There are no other changes requested to the licence. All other provisions remain the same.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that the information provided in the application is sufficient to demonstrate that granting the requested amendment is in the public interest.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of electricity generator licence EG-2008-0258 is amended to include the operator qualification for the Residences of Springhill Condominium Complex generation facility located at 80 Burns Boulevard, King City, Ontario. The amended licence is attached to this Order.

DATED at Toronto, August 22, 2011
