Dear Ms. Walli:

**Re: Capital Power GP Holdings Inc.; Board File No.: EB-2011-0027**

We are writing on behalf of Capital Power GP Holdings Inc. in respect of the letter from counsel to Haldimand County Hydro Inc. ("HCHI") dated August 25, 2011.

HCHI's letter is improper and should not form part of the record before the Board in this proceeding.

In particular, the purported filing of the letter does not comply with the procedural orders issued by the Board in this proceeding and is even more egregious in view of the Board's Decision and Order dated May 30, 2011, in which the Board rejected HCHI's motion to defer any final decision in this proceeding until the Board conducted a "generic proceeding" respecting the development of transmission lines in municipal rights-of-way and to establish principles for the methods and expectations for connections to, and expansion of, the electricity grid.

Yours very truly,

*(signed) H.T. Newland*
