Dear Mr. Taylor:

**Re: South Kent Wind LP
Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998*
Board File Number EB-2011-0287**

On August 5, 2011, South Kent Wind LP filed a notice of proposal under section 81 of the *Ontario Energy Board Act, 1998* (the "Act") in connection with South Kent Wind LP's intention to construct transmission facilities in Chatham-Kent, Ontario to connect a 270 MW wind farm to the IESO-controlled grid. The leave to construct application (EB-2011-0217) that this notice of proposal is related to was filed on June 14, 2011.

This letter is to inform you that your notice of proposal under section 81 of the Act is being held in abeyance and will be scheduled to coordinate with the leave to construct application. Accordingly, the Board's review of the notice of proposal is suspended until further notice.

Please direct any questions relating to the notice of proposal application to Irina Kuznetsova, Advisor, Licence Applications at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
