**Re: Hydro Ottawa Limited
Application for 2012 Rates**

On August 19, 2011, Enersource Hydro Mississauga Inc. ("Enersource") applied for late intervenor status in this proceeding. The correspondence stated that Enersource would accept the record as it stands.

Hydro Ottawa Limited filed correspondence on August 22, 2011, stating that it had no objections to Enersource's request. No other correspondence was received on the matter.

Enersource is granted late intervenor status in this proceeding. The Board reminds Enersource and all other intervenors, that it is helpful if they identify their intentions at every procedural step. For example, if an intervenor does not plan to participate in the technical conference, they should notify the Board accordingly.

An updated list of parties to this proceeding is attached.

Yours truly,

John Pickernell
Asst. Board Secretary
