Dear Mr. Bunclark:

**Re: Goldcorp Canada Ltd.  
Application for an Electricity Wholesaler Licence – Notice of Application  
and Written Hearing  
Board File Number EB-2011-0278**

This will acknowledge receipt on August 23, 2011 of your letter requesting that the Board dispense of the requirement for a hearing on your electricity wholesaler licence application under Section 21(4)(b) of the *Ontario Energy Board Act, 1998*.

It is the Board's practice to hold a hearing when considering an application for a new licence or the renewal of a licence, and the Board dispenses with a hearing on such applications only in exceptional circumstances. The Board has considered your request and finds that the record of the application at present is not sufficient to allow the Board to make a finding under section 21(4)(b). Therefore, the Board will proceed with holding a written hearing on your application for an electricity wholesaler licence. The Letter of Direction and Notice of Application and Written Hearing for your electricity wholesaler licence application are enclosed.

Regarding your concern over the disclosure of sensitive information during the course of the licence application process, the Board's *Practice Direction on Confidential Filings* may be referred to by applicants seeking to have certain information held in confidence.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416- 440-8138 or [Irina.Kuznetsova@ontarioenergyboard.ca](mailto:Irina.Kuznetsova@ontarioenergyboard.ca).

Yours truly,
