**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
Torbram Road Relocation Project Update  
Ontario Energy Board No. EB-2010-0241**

---

On January 20, 2011, the Ontario Energy Board (the "Board") issued the Decision and Order, including the Conditions of Approval, for the Torbram Road Relocation Project (the "Project"). Enbridge would like to update the Board on the start date and land matters for the Project, which is needed as part of work to complete the City of Mississauga and City of Brampton's Torbram Road safety improvements.

Enbridge is currently awaiting further developments in the City of Mississauga's negotiation of an easement agreement with Canadian National Railway Company. Enbridge is hopeful that construction will commence in October 2011 and will notify the Board 10 days prior to the start of construction.

If you have any questions, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink that reads 'Lesley Austin'.
