DECISION AND ORDER ON COST AWARDS

Background

Detour Gold Corporation ("Detour") filed an application with the Ontario Energy Board (the "Board") dated April 19, 2011 under sections 92 and 97 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B ("the Act"). Detour sought an order of the Board granting leave to construct a transmission line and associated facilities from Pinard TS to the Island Falls area, where it will connect to a previously approved transmission line supplying the Detour Lake Mine, located 180 km northeast of the Town of Cochrane. Detour also sought an order approving the form of easement agreement provided in the application.

On June 8, 2011, the Board issued Procedural Order No. 1 granting the Taykwa Tagamou Nation ("TTN") and the Independent Electricity System Operator ("IESO")

intervenor status subject to certain conditions. The Board also determined that TTN is eligible for an award of costs.

The Board issued its Decision and Order on the application on August 12, 2011, in which it set out the process for TTN to file its cost claims and to respond to any objections raised by Detour.

The Board received TTN's cost claim for \$5,009.09. No comments were received from Detour.

Board Findings

The Board has reviewed TTN's cost claim. The Board finds that TTN is eligible to recover 100% of its reasonably incurred costs of participating in this proceeding and shall be reimbursed by Detour.

THE BOARD THEREFORE ORDERS THAT:

1. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Detour shall immediately pay the Taykwa Tagamou Nation the sum of \$5,009.09.
2. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Detour shall pay the Board's costs of and incidental to, this proceeding immediately upon receipt of the Board's invoice.

DATED at Toronto, September 15, 2011.

ONTARIO ENERGY BOARD
