Board File No.: EB-2011-0140**

Dear Ms. Walli,

Chatham-Kent Transmission ("CKT") is writing in reply to the Board's letter of August 22, 2011, which invited participation in the transmission designation process for the East-West Tie Line project.

CKT appreciates the opportunity to participate in this process, but wishes to advise the Board that it will not be registering as a participant in the process.
