IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application Haley
Industries Ltd. for an electricity wholesaler licence.

By delegation, before: Jennifer Lea

INTERIM DECISION AND ORDER

Haley Industries Ltd. filed an application on July 13, 2011 with the Ontario Energy Board under section 60 of the *Ontario Energy Board Act, 1998* for an electricity wholesaler licence. The application was deemed incomplete and additional information was requested. The additional information was received on September 16, 2011.

The applicant was previously licensed by the Board, and that licence expired on May 23, 2011. In order to purchase electricity in the IESO administered markets to support its operations, the applicant requires an electricity wholesaler licence. By letter to the Board dated September 16, the applicant requested an interim licence.

Considering the time required to process an application in accordance with the Board's established practice and procedures, and considering the applicant's need for a licence to carry out activities as an electricity wholesaler to support its sand casting foundries operations in Haley, Ontario, it has been found to be in the public interest to issue an interim order granting the requested electricity wholesaler licence, pending the final disposition of the matter. The applicant is reminded that this interim decision does not constitute a final decision on the application.

IT IS THEREFORE ORDERED THAT:

1. An electricity wholesaler licence is granted to Haley Industries Ltd. on such conditions as are contained in the attached licence.
2. The licence will be valid until December 31, 2011, or until the final determination of the electricity wholesaler licence application, whichever is earlier.

DATED at Toronto, September 23, 2011.

ONTARIO ENERGY BOARD
